SUPREME COURT OF WISCONSIN

In the Matter of Implementation of
SCR 75, regarding Court
Commissioners

ORDER
No. 00-12

On April 6, 2001, the court issued an order amending the Supreme Court Rules to require a statement of economic interest from all circuit court commissioners and from authorized supplemental court commissioners who have performed at least 40 hours of circuit court commissioner duties in the preceding year, to omit the requirement that court commissioners file a monthly certification of pending cases, and to clarify the legal experience required for appointment as a court commissioner. The court ordered that the effective date of the amendment was April 6, 2001.

IT IS ORDERED that the court's order dated April 6, 2001, is corrected to provide that the amendments to Supreme Court Rule 75.02 (1) clarifying the legal experience required for appointment as a court commissioner shall be effective September 14, 2001. This correction shall be effective retroactive to April 5, 2001.

IT IS FURTHER ORDERED that notice of this correction of the effective date of the amendment of Supreme Court Rule 75.02(1) be given by a single publication of a copy of this order in the official state newspaper and in an official publication of the State Bar of Wisconsin.

Dated at Madison, Wisconsin, this ____ day of May, 2001.
